7 February 2005

Sir:

Applicant submits the following Statement of Substance for the Examiner's telephone conference held 4 January 2005 between assigned Examiner Chandra L. Harris and Applicant's representative Melvin Kraus (Reg. No. 22,466). This Statement is responsive to the Examiner's Interview Summary mailed 6 January 2005, and accordingly, is being timely filed within one (1) month of the mailing date of the Summary (6 February 2005 being a Sunday).

Melvin Kraus contacted Examiner Harris on 4 January 2005 to determine the status of mailing of a corrected Office Action, for which a Petition Under 37 CFR §1.181 had been timely filed 9 July 2004 in protest of a wholly defective Office Action mailed 23 June 2004, since a corrected Action still had not been mailed within the last month of the fully-extended six month statutory period. Examiner Harris

indicated that she was newly-assigned to the subject application, and would vacate the defective 23 June Action issued by the prior Examiner in order to completely examine the application while taking into consideration the Preliminary Amendment filed in the present application on 12 February 2003, and subsequently issue a complete and correct Office Action in due course.

No Petition or fees are required for entry of this Statement.

Respectfully submitted,

---
